

# GALLERY READINGS

## **Greetings from Spirit hosted by Portland Spiritualist Church**

The Portland Spiritualist Church wishes to invite you to an entertaining evening with local mediums. It is an opportunity for those loved ones who have passed on to the greater expression of life to present themselves with memories and upliftment to you. Also it is an opportunity to learn what Spiritualism is and what it may have to offer you on your spiritual path.

This church fundraiser is an opportunity to validate the Continuity of Life for members of our community in a safe and loving atmosphere. It is also an opportunity to become familiar with some mediums in the State of Maine, particularly those residing in the Greater Portland area.

**Held at Unitarian Universalist Church**
