Bassett	On The Side Of Angels	363	21.39
	Gordon Higginson's birth was ordained - by the spirit world. Now none would dispute that he is Britains best known medium, one whose gifts include not only trance and clairvoyance, but the dramatic faculty of materialization when the so called dead literally appeared in the seance room to be reunited with loved ones. <i>On The Side of Angels</i> is not only a thrilling biography, detailing Gordon's action filled life, but takes an inside look at one of the greatest ever Spiritualist mediums.		
Batten	Love And Progress	541	15.00
	Lectures on Spiritualism and other comments. Spiritualism teaches that our life on earth is simply a kindergarten in the life of the soul. It teaches that our soul is on a journey of eternal progress. Mr. Batten has written these wonderful lectures in a way that will touch your heart in many ways.		
	The Third Helix	542	5.00
	A scientific explanation for the creation, existence, and survival of the Spirit.		
Beard	The Barbanell Report	063	12.95
	Barbanell gives an account of his life after death. Pictures a workload more intense than comfortably promised in popular Spiritualism. His altered relationship to Silver Birch is surprising, though logical, and leads Barbanell in a more taxing search than he had expected to find in the meaning of the outer and inner realities now around him in Spirit.		
	Hidden Man (hard cover)	325	15.16
	For those who are trying to understand life's enigma. A unique journey to find deep within ourselves, the inner intuitive being, the hidden man		
	Living On (hard cover)	326	10.95
	Beard has masterfully provided a sensible, sane, reassuring picture of a psychic universe that is compassionate, caring and loving. Considered by some to be the best account to date of this uncharted experience we call death.		
	Survival of Death	327	8.25
	An impartial, honest discussion on the evidence for and against the human survival of death.		
	Inner Eye, Listening Ear (E)	313	17.50
	Paul Beard, though not a medium, has over many years been able to observe and closely study mediumship at work. He understands the essential roles played by the communicator, the recipient and the medium. In this volume the fruits of his careful observation are a testimony to his understanding. In recounting the limitations and pitfalls into which many fall, he is able to use his experience to stress the essential nature of the harmony so necessary between all three participants- a pre-requisite for sound results.		

Becker	Message Gems Sayings of encouragement for meditation.	042	2.00
	The Science of Being <i>The Science of Being</i> is a truly unusual presentation of the kernels of Age Old Wisdom. The contents were received from wise teachers in the Spirit World through the amazing mediumship of the Reverend Florence S. Becker, founder of the Golden Gate Spiritualist Church in San Francisco. The outer husk has been removed; therefore you may find the contents too rich to absorb in one sitting. So, savor it well, word by word, page by page, and understanding and perception of the Universal Laws can be yours.	537	6.50

	Facts (E) First in a series of communications between Borgia and a friend Monsignor Robert Benson, a distinguished priest.	266	17.95
	More Light (E) Second Book in this series, Monsignor Benson takes a theological theme with special reference to the creeds and some of the so-called miracles as narrated in the New Testament.	265	15.72
	Heaven and Earth (E) In this third book of Borgia's communications with the Monsignor, he gives insights on spirit-world life conditions. Benson comments on other important topics such as beauty, service, religious unity, and how to achieve worldwide peace.	264	15.72

Borgia	Life in the World Unseen	046	16.00
	<p>In the pages of this book, you will learn many of the intricacies of spirit life and the joys that come to a person in that sphere of living. You will see just what the spirit world looks like, where it is, and how the forces of good and evil are interrelated. You will find out the rewards that are to be received in direct proportion to the life that is lived. You will find the spiritual characteristics of such things as flowers, soil, buildings, people, water and even air. You will be amazed at the things of importance and the things that have no importance at all.</p>		
	More about Life in the World Unseen	047	14.00
	<p>In this, second book, Robert continues his work in the Spirit World and gives a description of he and Ruth's work among the newly arrived in his realm. He gives a description of meeting the great composers and men who are extremely advanced in the parts of medicine and horticulture and explains how that work is related to those on the earth.</p>		
	Here and Hereafter	045	14.00
	<p>This third book in the series is different from the other two. Here, Robert no longer takes you on a tour of the Spirit World, but now begins to lay out the laws of Spirit life and what makes things the way they are there. He expounds on the physical characteristics of spirits and their limitations as well as their great abilities.</p>		
Bostwick	The Conquering Soul	477	14.95

	Life in Spirit (E)	277	21.83
	Harry Edwards paused in his busy life to contemplate what the spirit world might really be like. The result of these deliberations is all here in fascinating and intricate detail as he describes various facets of spirit life as he envisages it.		
	Mediumship of Jack Webber (E)	322	15.26
	The descriptive chapters and the accompanying full-page art plates illustrating the physical phenomena obtained through Jack Webber's Mediumship comprise one of the most outstanding psychic books ever published.		
	Power of Spiritual Healing (E)	102	23.77
	This book is not so much a scientific appreciation of Spiritual Healing as an effort to present the healing story in a simple way. It enables everyone to have a measure of understanding of its powers, limitations, processes and purpose and to show how all that are in need can benefit from it.		
	Spirit Healing (E)	104	20.65
	There are many skeptics of Spirit Healing of whom you may well be one. If so this is a book we would warmly recommend to your attention for the un-dramatic, matter-of-factness with which it approaches this most controversial of subjects. Spirit Healing is not a "crank" treatise designed by its author to win converts to his belief and persuasions. Edward's says "I am only concerned with facts, for facts speak for themselves."		

Edwards, J	One Last Time	474	13.95

Leichtman	The Psychic Perspective	523	15.99
------------------	--------------------------------	------------	--------------

In this volume of the *From Heaven To Earth* interviews, Dr. Leichtman explores the psychic nature of life and what it means to approach life from a psychic perspective. The spirits interviewed are Edgar Cayce, the famous American psychic; Eileen Garrett an outstanding medium; Arthur Ford, who introduced Mediumship into the church; and Stewart E. White, who wrote a series of books on Mediumship. The primary theme of their discussion is the nature of Mediumship and its full creative potential for helping humanity.

The Inner Side Of Life	524	15.99
-------------------------------	------------	--------------

These four interviews of the *From Heaven to Earth* series probe the psychic side of human psychology. The spirits interviewed are C.W. Leadbeater, a brilliant clairvoyant; H.P. Blavatsky, the author of *The Secret Doctrine*; Cherio, an outstanding psychic and numerologist at the turn of the century; and psychologist Carl Jung and Sigmund Freud, who appear together. They examine in detail the inner dimensions of life and how they impact our lives, our character, and our psychological makeup.

The Hidden Side of Science	525	15.99
-----------------------------------	------------	--------------

Dr. Leichtman and scientific geniuses Nikola Tesla, Luther Burbank, Sir Oliver Lodge, and Albert Einstein discuss the scientific process and the roll science plays in the advancement of humanity. They also examine the roll the inner life plays in scientific breakthroughs, and how science is much more of a creative process than most people realize today.

Lyceum Lessons for Adults

Austin	The ABC's of Spiritualism One hundred of the Questions most commonly asked about Spiritualism.	019	2.00
Barwise	Preface to Spiritualism It is the purpose of this book to set forth in this series of lessons in the simplest language possible. A few truths which beginners of any age ought to master thoroughly before undertaking a more profound study of the great body of knowledge known as the Science, Philosophy and Religion of Spiritualism.	041	3.00
Brown	Aura and Color The disciple on the Path of Wisdom need never pause to question how others feel towards him; his work is clearly to determine how he feels towards others. And according to the feeling he generates, entertains, and sends forth will be the condition of his own Aura.	LY033	5.00
	Man Spiritualism, being the Science, Philosophy and Religion of continuous life, is the broad educator. We must study, and in some measure cognize the universe of which man is an inseparable part. In forming a firm foundation upon which to build our structure, we must begin with creation and follows its revelations to the present time.	LY034	7.50
	Mediumship Mediumship and Unfoldment classes.	LY035	6.00
	Natural Law A Natural Law is that law, which God (a power or source) has set in motion to govern all that is created, or is in being. It is immutable and unchangeable and we know of no instance where the Source has set aside that law in response to any human appeal, nor suspended that law for any other reason.	LY036	7.50
	Set of Four Aura and Color, Man, Mediumship and Natural Law	LY037	24.00

Colville	Catechism of Spiritual Philosophy	067	1.00
	A series of Questions and Answers designed to confer light upon many interesting spiritual topics.

	Adult Lyceum lessons 1-12 Questions and answers to follow each lesson to help the student while studying		
Whitwell	Adult Series 1-12	LY040	1.50
	It is our prayer and aspiration that these lessons will so waken the spiritual nature of the new generation, that the religions of tomorrow will be freed from the irrational fears and superstitions of the past, thus permitting each son and daughter of God to perform the spiritual works Jesus did, and greater.		
	Adult Series 13-24	LY041	2.00
	Continued lessons for adults. Learn the value and purpose of mediumship. Learn why Spiritualism is so misunderstood.		
	Sermonettes	218	2.00
	In tribute to Joseph P. Whitwell, many of the excellent editorials written by Mr. Whitwell clearly defining, presenting and evaluating Spiritualism as a Science, Philosophy and Religion. This booklet is to be a continued source of help to the many interested truth seekers and members of Spiritualist organizations.		

Children's Books

Austin

Why and How I was Born

LY045

4.95

The creator's part in a child's birth is made clear to the inquiring child- and with it, Gods plan of Love and Family life. The most meaningful thing in this story is, to each child, the assurance that there is a purpose to his or her life.

My Secret Power

LY044

4.95

The classical fairy tales, usually have the saving grace of ending with **good** overcoming **evil**. However, the fairy tales lead children to believe that people are either all good or all bad. The battle between good and evil takes place within each person. Children should be given understanding of this truth early in life.

Little Me, Great Me

LY043

6.95

The series *The Little Me and The Great Me* aims to revive an old but neglected truth : that there are two forces, two wills in every person : one - The will of the human self, the other - The will of the divine self. Learn at a child's level how to blow out the little me and live as the great me.

Each beloved Cosgrove tale teaches youngsters how to deal with the challenges of their world, providing them with positive solutions to difficult problems along with a moral to each story.
